Education

BFA Graphic Design - Georgia Southern University

Employment

Cox Automotive - Autotrader & Kelley Blue Book

Sr. Product Designer
Sep 2019 - Present

I'm on the Design Foundations team, managing the Iris design system behind Autotrader, Kelley Blue Book, and OEM dealer sites. I built the illustration and spot icon libraries for Autotrader across web, apps, and marketing. I also work on motion and micro-interactions.

DICK'S Team Sports HQ

UX Designer
June 2016 - Sep 2019

Designed several mobile apps as lead designer from initial idea through launch. Built the e-commerce platform for fan wear and redesigned registration for users and league admins.

The Coca-Cola Company

Designer
Oct 2013 - June 2016

Worked on the Coca-Cola Studios team, the in-house design group. Did a bit of everything: branding, identities, digital signage, wayfinding, mobile apps, websites, and wireframes.

Carter's/OshKosh B'Gosh

Freelance E Commerce Designer
July 2013 - Oct 2013

Designed landing and interior pages for the OshKosh B'Gosh site and built email campaigns for the e-commerce team.

Aumcore

Designer
Jan 2012 - June 2013

Design agency startup where I worked on everything from mobile to print. Clients included Denon, Marantz, and Boston Acoustics.
