Education

BFA Graphic Design - Georgia Southern University

Employment

Cox Automotive- Autotrader & Kelley Blue Book

Sr. Product Designer
Sep 2019 - Present

Design-Foundations team for Iris - the multi brand design system behind Autotrader, Kelley Blue Book, and OEM dealer sites. Established illustration and spot iconography styles for Autotrader across web, mobile apps, and marketing. Expanded the KBB icon and illustration library, and created interface motion and micro-interactions.

DICK'S Team Sports HQ

UX Designer
June 2016 - Sep 2019

Worked on all aspects of UI and UX from conception to launch for multiple mobile apps. Created product illustrations throughout the product. Built E Commerce platform for fan wear, and completely redesigned the registration process for users and for league admins.

Employment
(Continued)

The Coca-Cola Company
Designer
Oct 2013 - June 2016

Member of the Coca-Cola Studios team, the in house design division of The Coca-Cola Company. Worked on marketing materials, branding and identities, digital signage, wayfinding, mobile apps, websites, and wireframing.

Carter's/OshKosh B'Gosh
Freelance E Commerce Designer
July 2013 - Oct 2013

Worked on the digital E Commerce Team. Designed landing and interior pages for the OshKosh B'Gosh website, and built email marketing campaigns.

Aumcore
Designer
Jan 2012 - June 2013

Design agency startup. Worked on everything from mobile to digital to print. Clients included Denon, Marantz, and Boston Acoustics.
